

***Hill City Rollers invites you to partner
with your local roller derby league.***

We are a 501(c)7 Not for Profit, grassroots, skater-operated, roller derby league with members in Delaware, Otsego, & Schoharie Counties.

The Hill City Rollers foster athleticism, comradery, and confidence in our team members. We are proud of our community service involvement in many avenues. We emphatically promote Roller Derby as a sport and a means to build friendships and character in the people who participate. Our home base for both practice and bouts (that's the term for our games!) is Interskate 88 – please join us at the rink!

As members of this community we are asking for your support! Our levels of sponsorship are as follows and come with some attractive perks in addition to supporting your local league!
